BMF CRM Employee Text Alerts

Written SMS enrollment form · blank template

Registered business name: MF Enterprising LLC dba Pro Installations & Design

Employee name: _____

Employee mobile number: _____

About these messages

The business named above uses its internal BMF CRM system to send work-related SMS alerts to enrolled sales representatives. Alerts identify assigned leads or jobs, their recorded stage, and follow-ups requiring attention. An administrator reviews and confirms each alert. This enrollment does not cover marketing or customer messages.

Sender: (314) 350-8011. Frequency: Message frequency varies with work assignments. Charges: Message and data rates may apply. Stop: Reply STOP to stop messages. You may also ask the company administrator to disable your enrollment. Help: Contact the company administrator using the support contact below.

Administrator support email: ken@proinstallexperts.com

Use of your information

Your mobile number and consent record are used to administer and deliver employee work alerts, including processing by the SMS delivery provider. They will not be sold or shared with third parties for marketing or promotional purposes. Signed forms are kept privately by the business and are not published as proof of its enrollment process.

☐ **I agree to receive these work-related SMS alerts.**

I have read the information above, provided my mobile number voluntarily, and understand that I can withdraw my permission. This box must be selected by me; an administrator must not select it on my behalf.

Employee signature: _____

Date: _____

Return completed forms privately to the company administrator. Do not publish signed forms or employee details. An unsigned form does not authorize texting any employee.
